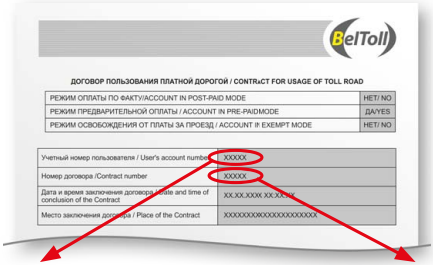
SMS balance request

SMS balance request is a convenient way to check the balance of your on-board unit from your mobile phone available for prepayment contracts.

How to check your balance using SMS?



SMS information is available for all the contracts serviced in the **prepayment mode**.*

To check the balance, please send an **SMS** of the following type to the number **+375 29 222 07 07**

BELTOLL#User ID#Contract ID

The data for filling in the **User ID** and **Contract ID** fields can be found in the Contract for Usage of Toll Road or can be provided to you by an Infoline operator.

Make sure you DO NOT use gaps or punctuation symbols, e.g.: BELTOLL#555555#888888

The cost of a sent SMS request equals the cost of an SMS message according to your tariff plan with the mobile operator.

As soon as the SMS request is sent, the user receives a response in the following format:

Справочный баланс/Balance: XXXXXXX=XXX.XXBYN_XX:XX:XX

Where **XXXXXXX** is the number of the contract indicated in the request, **XXX.XXBYN** is the amount of the balance provided for reference, **XX:XX:XX** is time when the indicated amount was on the balance.

Other formats of responses are possible in some cases:

1. If there is a mistake in the text of the SMS request (absence of the hash symbol (#), missing or extra symbol), or if the User ID and/or Contract ID information entered is not accurate, the user receives a response in the following format:

   Неверные данные/Incorrect data +375172798798**

2. If the service is unavailable due to maintenance, etc., the user receives a response message in the following format:

   Сервис недоступен/Out of service +375172798798**

---

* SMS balance request is available if you use services of a mobile operator from the **List of Countries**, observe conditions for the provision of telecommunication services established by your operator, and in case of absence of unforeseen technical difficulties.
